

As a business owner, you're focused on growing your numbers: customers, sales, profits. And sometimes you just need more dollars to keep things running smoothly, so we created American Express<sup>®</sup> Merchant Financing, exclusively for qualified American Express Card-accepting businesses.

It's a simple way to boost cash flow to help grow your business. Use funds to renovate, open new locations, and upgrade equipment. Or, take advantage of early pay and bulk discounts, and pay recurring bills. You don't have to worry about repayment because it's automatic. And with no variable APR, you know what to expect.

You also get a dedicated Merchant Financing specialist, along with the outstanding customer service and trusted reliability you've come to expect from American Express.

It all adds up to a simpler way to finance. More cash flow can bring in more customers, more transactions and more sales to drive growth and increase profit margins for your business.

Let us help you grow your numbers and move your business forward with American Express Merchant Financing. Learn more today.
